

High-resolution extra-large widescreen display with essential presentation features

HP L2208w Flat Panel Monitor

HP is proud to introduce the newest addition to the Essential series widescreen monitor family. The HP L2208w 22-inch Widescreen LCD Monitor offers essential performance features in an elegant jumbo-sized 22-inch diagonal screen designed for users who prefer expansive widescreen viewing, wherever they work.

Essential, every day performance

Presentation and user comfort features include: crisp, clear views of text, graphics, and video from 1000:1 contrast ratio and a bright 300-nit screen¹; power button disable function that prevents users from turning off the monitor; power LED on/off control to disable the green power light and help minimize distraction; wide 160-degree viewing angles and a full range of tilt settings to help users find a comfortable viewing position.

Smart software

HP Display LiteSaver allows pre-scheduled Sleep modes to help protect against image retention and lower power consumption and energy costs. HP Display Assistant enables monitor adjustment, theft deterrence, and color calibration through the connected PC.

Easy set up and use

The monitor comes already assembled to the base, for quick and easy set up right out of the box. Just attach the cables, and you're ready to go.

Assured compatibility

This monitor is fully tested and qualified for out-of-the-box functionality and compatibility with HP business notebooks and desktop PCs, thin clients, and workstations. When you buy the monitor with an HP PC, you get end-to-end product serviceability and support from HP with just one phone call.

Environmentally responsible

This monitor meets stringent worldwide environmental regulatory standards, including ENERGY STAR®, CE Mark, and UL and is in compliance with the Restrictions of Hazardous Substances (RoHS) Directive, 2002/95/EC. This monitor also received a Silver ranking from the Electronic Products Environmental Assessment Tool (EPEAT).

Enjoy peace of mind

The HP L2208w monitor is protected by a three-year limited warranty that is backed by HP service and support from 65,000 IT service and support professionals in 160 countries around the world.
